SPECIAL ATTENTION FORT PIERCE RESERVATION BOIL WATER ADVISORY

January 26, 2022

Due to a water main break in St. Lucie County, the Fort Pierce Reservation is under a boil water advisory. Once water is restored, those impacted residents will be under a 72-hour precautionary boil water advisory for any water used for drinking or cooking. A rolling boil of one minute is sufficient. Bottled water may be used as an alternative. Emergency Management will continue to monitor and provide updates as appropriate.
